RECYCLING INFORMATION

Items collected at curbside are picked-up in a single stream process; it is no longer necessary to separate your recyclables for collection. Morton residents diverted 2,390,925 lbs. of recyclable materials from being deposited in the landfill between Oct. 2012 – Sept. 2013.

All containers must be rinsed out before pickup, this will reduce contamination and odors. All recyclables must be placed in approved recycle containers provided by the Village. Recycling schedules are always available online at www.pdcarea.com. **Please have your recyclables and residential waste out by 6:00 a.m. "When in doubt, set it out!"**

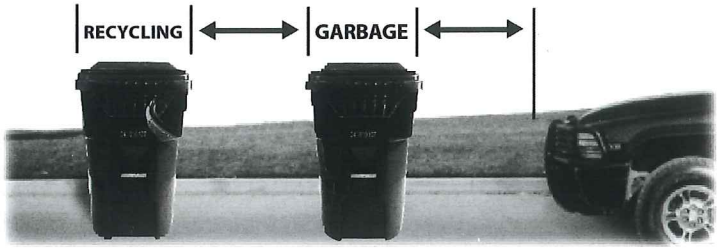
Where do I place my trash and recycling carts?



*Position the cart with the **handle facing the house**.*

- Place your cart with the handle facing your house. The lid opens from the street toward the house.
- The cart needs to be at least five feet away from the mailbox.
- If there is a yard waste cart and a trash cart, they need to be separated from each other by five feet.
- The cart cannot be placed behind a car or other obstruction.
- Do not overstuff the cart. The trash must be able to fall out of the cart when emptied.
- Additional refuse will require a sticker. These are available at local retail outlets for $3.05 each.
