RECYCLING INFORMATION

Items collected at curbside are picked-up in a single stream process; it is no longer necessary to separate your recyclables for collection. Morton residents diverted 2,154,656 lbs. of recyclable materials from being deposited in the landfill between Oct. 2011 - Sept.2012.

All containers must be rinsed out before pickup, this will reduce contamination and odors. All recyclables must be placed in approved recycle containers provided by the Village. Recycling schedules are always available online at www.pdcarea.com.

Please have your recyclables and residential waste out by 6:00 a.m. Place your cart with the handle facing your house. The lid opens from the street toward the house. "When in doubt, set it out!"
