FAQ's about your service with Grimm Bros. Trucking

Where do I place my trash and recycling carts?

Position the cart with the handle facing the house.

- Place your cart with the handle facing your house. The lid opens from the street toward the house.
- The cart needs to be at least five feet away from the mailbox.
- If there is a yard waste cart and a trash cart, they need to be separated from each other by five feet.
- The cart cannot be placed behind a car or other obstruction.
- Do not overstuff the cart. The trash must be able to fall out of the cart when emptied.
- Additional refuse will require a sticker. These are available at local retail outlets for \$3.05 each.

How do I sign up for auto-deduct from my bank account?

- Step 1: Go to www.pdcarea.com.
