

## Village of Morton

C/O Homefield Energy  
1500 Eastport Plaza Dr.  
Collinsville, IL 62234

John Smith  
123 Main St  
Anytown, IL 65432

Previously, voters passed a referendum authorizing **Village of Morton** to seek competitive electricity rates for eligible residential and small commercial retail customers by establishing an "opt-out" electric aggregation program. Homefield Energy was chosen as the retail electric supplier for the initial term, which ends in May. After a thorough bid process, Homefield Energy was again selected as the supplier for contract term June 2014 to June 2016. Homefield Energy is an independent seller of power and energy service and is certified as an Alternative Retail Electricity Supplier by the Illinois Commerce Commission (ICC Docket No. 11-0673).

### PROGRAM DETAILS

As an eligible participant, your account will be automatically enrolled in the program unless you choose to opt-out by **May 2, 2014**.

- There is no enrollment or switching fee.
- Your new price of **\$0.0466 per kWh** which goes into effect June 2014 is guaranteed until **June 2016**.
- Price will not change through this term.

As a participant in your community's Municipal Electricity Aggregation program, you are expected to save when compared to the utility's default rate. Information about your utility's seasonal rates and space heat programs can be found at the Illinois Commerce Commission site: <http://www.pluginillinois.org/FixedRateBreakdownAmeren.aspx>. Please refer to the ICC's "Price-to-Compare" to determine the best option for you.

### NO CHANGES IN YOUR BILLING

You will continue to receive one monthly bill from Ameren Illinois. You will still be eligible for the same programs you are eligible for now through the utility, such as Budget Billing, payment agreements and energy efficiency programs. The only change will be in the Electric Supply price on your Ameren Illinois bill

(<http://www.ameren.com/sites/aiu/ElectricChoice/Pages/SupplyCosts.aspx>).

### ENROLLMENT PROCESS

If you are current participant in the municipal aggregation program and wish to continue in the program, no further action on your part is required. If you are new to the program, once your account is enrolled, you will receive a confirmation letter from Ameren Illinois confirming your "switch" to Homefield Energy. A sample "Switching" letter is included in this packet for your reference. Approximately 30 to 45 days after enrollment you will receive your first bill with your new Homefield Energy price. Please see the enclosed Terms and Conditions for additional information.

### OPT-OUT INSTRUCTIONS

If you choose not to participate, you can elect to be removed from the Program by completing and returning the enclosed Opt-Out Card by **May 2, 2014**.

If you have questions or need additional information about Municipal Aggregation or Homefield Energy, please visit [www.homefieldenergy.com](http://www.homefieldenergy.com) for FAQs and community specific information. Homefield Energy Customer Care is available 8:00am to 7:00pm Monday through Friday at 866-694-1262 or via email at [HomefieldCustCare@Dynergy.com](mailto:HomefieldCustCare@Dynergy.com).

Sincerely,  
**Village of Morton**

# Electric Aggregation Program

## Frequently Asked Questions

### Overview of Municipal Aggregation

#### ***What is Municipal Aggregation?***

Illinois law allows municipalities and counties to negotiate the purchase price of electricity on behalf of residential and small business utility customers living within their borders. While these governmental entities choosing community aggregation would be responsible for negotiating the price of power from a supplier other than the traditional utility, your utility would still be responsible for delivering that power to your home, and billing you for it.

#### ***How can I get more information about the municipality or county's aggregation program?***

Contact your municipality or county for information related to the referendum and the aggregation program. Additional resources can be found at:

<http://www.homefieldenergy.com/residential/municipal-aggregation/communities-we-serve.php>.

#### **Eligibility and Enrollment**

##### ***Who is eligible to participate?***

Residential or small business customers located in the participating governmental entity boundaries may participate. Customers enrolled in real time pricing, Power Smart Pricing, space electric heat rate, or served by an alternative retail supplier may not be eligible.

##### ***How do I enroll?***

It's simple. It's automatic. Unless you "opt-out" of the program, all eligible Ameren Illinois customer accounts within the boundaries will be enrolled in the program. You will receive a "switch" letter from your utility, Ameren Illinois, confirming your enrollment. If you are a current participant, there is no need to reenroll.

##### ***Do I have to participate in the municipal or county aggregation plan?***

All eligible Ameren Illinois utility customers within the municipal or county boundaries will receive an opt-out notification letter via U.S. mail. You may "opt-out" by returning the Opt-Out card by the deadline date identified in your notification. If you choose to opt-out, your account remains with Ameren Illinois at the current utility rate.

##### ***What if I decide to opt-out after the opt-out deadlines have passed?***

You can opt out of the program at any time by calling or emailing Homefield Energy.

#### **Rate and Term Information**

##### ***What are the Rates and Terms for my Municipality or County?***

A listing of communities served by Homefield Energy can be found at [www.HomefieldEnergy.com](http://www.HomefieldEnergy.com). Select your municipality or county to find the applicable rates, contract length, and the terms and conditions for your particular governmental entity. Customers who are enrolled in the program should see the changes on their monthly electric bill 45 to 60 days after enrollment.

##### ***What if Ameren Illinois rates decrease?***

If at any time during the term of this Agreement Ameren Illinois rates fall lower than the Homefield Energy price, you will have the option to return to the utility without penalty.

##### ***What happens at the end of the Agreement term?***

At the end of the Agreement term, as defined in the Terms and Conditions you have the option of staying with a new Municipal Aggregation program, returning to the utility, or signing with a new supplier independent of the Municipal Aggregation program.

#### **Billing and Service Information**

##### ***Who will bill me for electricity? Will I get two bills?***

You will continue to receive one monthly bill from Ameren Illinois. The bill will include the charges for electricity supplied by us, as well as the delivery service charges from Ameren Illinois.

##### ***Can I still have my payment automatically deducted from my checking account?***

Yes, how you pay your bill will not change.

##### ***Can I stay on budget billing?***

Yes, your budget billing will not be affected by your participation in this program.

##### ***Who is responsible for the delivery of power to my home or business?***

Ameren Illinois will continue to deliver your electricity and will be responsible for maintaining the system that delivers power into your home. As your energy delivery company, they will continue to respond around-the-clock to outages, service calls and emergencies regardless of your electric supplier.

##### ***Who do I call to report a power outage or problems with my electric service?***

You will continue to call Ameren Illinois for power outages, problems with your service or questions regarding your monthly bill.

**Ameren Illinois Residential Customers: 800.755.5000**

**Ameren Illinois Business Customers: 800.232.2477**

##### ***Who do I call if I have questions regarding the Municipal or County Opt-Out Electricity Aggregation Program?***

Questions should be referred to a member of our Homefield Energy Customer Care team.

**Homefield Energy Customer Care: 866.694.1262**

**Residential Electric Supply Agreement  
Village of Morton Opt-Out Aggregation Program  
Terms and Conditions of Service**

- 1. Purchase of Retail Power:** Illinois Power Marketing Company d/b/a Homefield Energy (Homefield Energy) agrees to sell, and you, as a participant in the **Village of Morton Opt-Out Aggregation Program**, agree to buy, all your residential power and energy service (Retail Power) at the price and on the terms and conditions specified in this Agreement. Homefield Energy is an independent seller of power and energy service certified by the Illinois Commerce Commission (ICC Docket No. 11-0673). Homefield Energy has been selected by Village of Morton **as the supplier for its 2014-2016** Opt-Out Government Aggregation Program. The Terms and Conditions contained in this Agreement have been the subject of negotiations between Homefield Energy and Village of Morton. Your Delivery Service Provider (DSP)—Ameren Illinois Company—retains responsibility for the delivery of electricity to your home. Homefield Energy's obligations under this Agreement are conditioned upon you providing complete and accurate information to Homefield Energy throughout the Term.
- 2. Term:** The Term of the Agreement will begin at the next meter read date after the DSP processes your enrollment and **will end with the June 2016 meter read date** for your account. The DSP determines when your meter is read. The DSP will notify you of the date on which Retail Power service from Homefield Energy will begin which should take place by the next billing cycle or the one that follows. The date on which you begin to take Retail Power supplied by Homefield Energy is the Effective Date.
- 3. Price:** Your price for Retail Power service (Price) will be **\$0.0466 per kilowatt-hour (kWh)**. The Price does not include any applicable taxes or DSP related fees or charges from the Effective Date through the conclusion of the Term. In the event of any change in, or enactment of, any rule, regulation, DSP operating procedure, tariff, applicable transmission tariff, ordinance, statute, or law beyond Homefield Energy's reasonable control that affects the price, sale or transmission, distribution, purchase, or other obligation pertaining to Homefield Energy's provision of Retail Power under this Agreement, Homefield Energy can adjust the Price. If Homefield Energy adjusts the Price, Homefield Energy will provide you notice of the adjusted Price and you will have an opportunity to terminate this Agreement without any further obligation by notifying Homefield Energy in writing within 30 days after the date of the notice of the adjusted Price. In such event, service will terminate effective as of the next meter read date, and you will be obligated to pay for Retail Power provided until that meter read date. Homefield Energy makes no guarantees as to how the price for Retail Power service during the term of this Agreement will compare to the price charged by your DSP for Retail Power service.
- 4. Billing and Payment:** The Price will be itemized and included on your bill from the DSP, and is due and payable to the DSP on the same day your DSP bill is due. You will continue to be billed by your DSP taxes and other charges consistent with filed tariffs at the Illinois Commerce Commission to transmit and distribute the Retail Power supplied to you per this Agreement. You should continue to follow any bill payment procedures set forth between you and the DSP. You agree to accept the measurements as determined by the DSP for purposes of accounting for the amount of Retail Power services provided by Homefield Energy under this Agreement. If the DSP is unable to read your meter, the DSP will estimate your usage and your charges will be calculated accordingly and adjusted on a future bill. Homefield Energy's ability to supply you under this Agreement is conditioned on the DSP accepting Homefield Energy's enrollment of your account for consolidated billing and purchase of receivables by the DSP. If you are not eligible for your DSP's consolidated billing and purchase of receivables, you will need to secure eligibility with your DSP before Homefield Energy can serve you. Should the DSP cease providing consolidated billing and purchase of receivables for your account and/or commence billing Homefield Energy for any charges relating to you, Homefield Energy will bill you directly and you will pay Homefield Energy for all such charges pursuant to the payment provisions specified in Homefield Energy's bill.
- 5. Late or Insufficient Payment:** All invoiced balances under this Agreement that are not paid in full by the due date will be subject to the DSP or Illinois Commerce Commission late payment rules.
- 6. Rescission and Early Termination of Contract:** The Illinois Commerce Commission is considering rescission and early termination of contract regulations that may afford you opportunities within certain parameters to rescind or terminate your contract without incurring an early termination fee. In addition, your DSP's tariff (which is on file with the Illinois Commerce Commission) may contain provisions regarding penalty-free rescission periods. Homefield Energy will comply with all applicable provisions and regulations concerning rescission and early termination of contract. Shortly after your election to take service from Homefield Energy, your DSP should provide you an enrollment notice informing you of any rescission rights you may have and the last day for making a request to rescind. If you rescind this Agreement within the timeframe specified by your DSP, your enrollment with Homefield Energy will be cancelled without penalty to you. Upon rescission in accordance with applicable law, this Agreement will be considered cancelled and neither party shall have any further obligation hereunder to each other. If you do not rescind this Agreement, you still may terminate the Agreement without any termination fee or penalty within 10 business days after the date of the first bill issued to you under this Agreement by calling Homefield Energy toll-free at 866-694-1262 to let Homefield Energy know to terminate this Agreement. You may terminate a residential electric supply agreement in this manner only one time in any 12 month period. Upon termination, you will remain responsible for all obligations, including payment for Retail Power and related costs and charges, incurred under this Agreement prior to the effective date of termination, including any applicable termination fee.

- 7. Termination:** Homefield Energy may terminate this Agreement for any non-payment or any other breach of this Agreement upon 30 days prior written notice to you of such termination. If you fail to cure your non-payment or breach of this Agreement within the 30 day notice period, Homefield Energy may terminate the Agreement even if you subsequently cure the non-payment or breach after such period has expired. Homefield Energy may also terminate this Agreement upon 30 days prior written notice to you due to a change in law or other act beyond Homefield Energy's reasonable control or if Homefield Energy is no longer able to serve you. In addition, Homefield Energy reserves the right to reject your enrollment or terminate this Agreement: 1) If you move within or outside of your DSP's service territory; 2) You fail to remain a customer of your DSP throughout the Term; 3) You fail to be eligible for your DSP's consolidated billing and purchase of receivables program throughout the Term; or 4) You rescind your authorization for release of information. Upon any termination of this Agreement, you will return to your DSP's power and energy supply service unless you have selected another alternative retail electric supplier. The effective date of any termination will be the next applicable meter read date after expiration of the required notice period. Upon termination, you will remain responsible for all obligations, including payment for Retail Power and related costs and charges incurred under this Agreement prior to the effective date of termination, including any applicable termination fee.
- 8. Assignment, Moving Outside of Your DSP's Service Territory:** Pursuant and in accord with any applicable State laws or regulations, including any required notice to you therein, Homefield Energy may assign, subcontract or delegate all or any part of its rights and/or obligations under this Agreement. You may not assign any of your rights or obligations under this Agreement without Homefield Energy's prior written consent. Homefield agrees not to unreasonably withhold such consent. If you move outside of your DSP's service territory, you may terminate this Agreement without incurring an early termination fee if such a fee would otherwise apply.
- 9. Information Release Authorization:** Throughout the Term, you authorize Homefield Energy to obtain information from the DSP that includes, but is not limited to, your account name, account number, billing address, service address, telephone number, standard offer service type, meter readings, and, when charges hereunder are included on your DSP bill, your billing and payment information. You authorize Homefield Energy to release such information to third parties, including affiliates that need to know such information in connection with your Retail Power service. These authorizations will remain in effect as long as this Agreement is in effect.
- 10. Dispute Resolution:** If you have a billing or other dispute involving Homefield Energy's service, you may contact Homefield Energy toll free at (866) 694-1262 between the hours of 8:00 am and 7:00 pm Central Prevailing Time Monday through Thursday and Friday 8:00 am to 5:00 pm; or by e-mail at [HomefieldCustCare@Dynergy.com](mailto:HomefieldCustCare@Dynergy.com); or via mail at Homefield Energy, Attn: Customer Service, 1500 Eastport Plaza Drive, Collinsville, Illinois 62234. Inquiries and complaints can also be made directly to the Illinois Commerce Commission by calling toll free (800) 524-0795 or visiting their web site at [www.icc.illinois.gov](http://www.icc.illinois.gov). While a customer complaint is pending investigation by Homefield Energy and/or the Illinois Commerce Commission, you are not obligated to pay the disputed portion of the bill. However, you remain obligated to pay any undisputed portion of the bill. You will be notified when the investigation is completed, and, if incorrect, your bill will be adjusted accordingly.
- 11. Limitation of Liability; Jury Trial Waiver:** You agree that neither Homefield Energy nor any of its employees, officers, directors, affiliates, agents, or subcontractors of any type or tier (collectively, the Homefield Energy Parties) will be liable for any damages or claims of any kind or nature for matters within the control of your DSP or the retail transmission organization controlling the electricity grid, which include maintenance of electric lines and systems, service interruptions, loss or termination of service, deterioration of electric services, meter readings or injury to persons or damage to property caused by the delivery or supply of electricity. The Homefield Energy Parties will not be responsible for any failure to commence or terminate power and energy service on the date specified herein due to any failure or delay in enrolling you with the DSP. The Homefield Energy Parties' liability will be limited to direct actual damages only up to the amount of your single largest monthly invoice for Retail Power during the preceding 12 months. In no event will the Homefield Energy Parties be liable for any punitive, incidental, consequential, exemplary, indirect, third-party claims or other damages whether based on contract, warranty, tort, negligence, strict liability or otherwise, or for lost profits arising from any breach or nonperformance of this Agreement. **BOTH YOU AND HOMEFIELD ENERGY AGREE IRREVOCABLY AND UNCONDITIONALLY TO WAIVE ANY RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.**
- 12. Force Majeure:** A Force Majeure Event may arise due to causes and events out of Homefield Energy's reasonable control, including but not limited to acts of God; acts of any governmental authority; accidents; strikes; labor disputes; required maintenance work; inability to access DSP's system; and non-performance by your DSP. For example, Homefield Energy does not control the transmission and distribution lines owned by your DSP and used by the DSP to deliver Retail Power to your home. Force Majeure Events may result in interruptions in your service. Homefield Energy is not liable for any such interruptions or any other failure to perform under this Agreement caused by a Force Majeure Event, nor is Homefield Energy liable for damages caused by Force Majeure Events.
- 13. Contact Information:** In the event of an emergency involving your electric service (e.g. an outage or downed power lines) you should call the emergency line for your DSP. **The Ameren Illinois Company emergency phone number is: (800) 755-5000.** In all other situations, you may contact Homefield Energy toll free at (866) 694-1262 or by e-mail at [HomefieldCustCare@Dynergy.com](mailto:HomefieldCustCare@Dynergy.com); or via mail at Homefield Energy, Attn: Customer Service, 1500 Eastport Plaza Drive, Collinsville, Illinois, 62234.

## **ELECTRIC SUPPLIER CHOICE CONFIRMATION**

**Service Address**

123 Maple Avenue  
Anytown, IL 65432

**Account Number**

12345-67890

Dear Customer,

This notification confirms that your account is being switched to a new electric supplier. You are receiving this notification for one of the following reasons: 1.) you have affirmatively chosen a new electric supplier; 2.) you are a resident located within an opt-out government aggregation program area established pursuant to Illinois law and you have chosen not to opt-out of the aggregation program; or 3.) you are a resident located within an opt-in government aggregation program area and you have chosen to opt-in to the aggregation program. This change in suppliers will take effect within two business days of your account's scheduled meter reading date, **May 26, 2014**. Your new supplier is **HOMEFIELD ENERGY**. If you have any questions regarding your electric supply, please call **HOMEFIELD ENERGY** at **1.866.694.1262**.

No matter which electric supply choice you make, Ameren Illinois will continue to deliver your energy services in a safe and reliable way. If you have any questions on your delivery services – such as power outages, metering or service requests – please contact Ameren Illinois Customer Service at 1.800.232.2477.

For detailed information on energy choice, please visit the "Your Energy Supply Options: page at [AmerenIllinoise.com](http://AmerenIllinoise.com) and the Illinois Commerce Commission's information at [PlugInIllinois.org](http://PlugInIllinois.org).

If you did not authorize this change or if you are not part of a government aggregation program, please contact Ameren Illinois Customer Service at 1.800.232.2477 immediately, but **no later than May 21, 2014**. Residential customers enrolling with a supplier by means of internet cannot cancel their supply agreements by contacting Ameren Illinois and should contact their supplier directly. Customers should consult their supply agreements regarding early termination as fees may apply.

Sincerely,

Customer Service  
1.800.232.2477

## Your Step-By-Step Guide to Savings

Below is a general outline of what will be happening behind-the-scenes and what kind of information you will receive as your electric accounts transition from utility tariff pricing to the municipal aggregation program established by your community and administered by Homefield Energy.

**Step 1: Happened TODAY.** You received this Informational Packet describing municipal aggregation and introducing Homefield Energy as your new electric supplier. If you choose not to participate in this cost savings program, simply return the enclosed Opt-Out card before **May 2, 2014**. Any questions you have about municipal aggregation can be answered by calling toll free 866-694-1262 or emailing [HomefieldCustCare@Dynegy.com](mailto:HomefieldCustCare@Dynegy.com).

**Step 2:** If you are a current participant the new rate will go into effect with the June 2014 meter read date. If you are new to the program, once the Opt-Out period is over – **May 2, 2014**, Homefield Energy will coordinate with the utility and begin enrolling accounts in the program. During this Enrollment Period you will receive a "switching" letter from Ameren Illinois confirming Homefield Energy as your new electric supplier. (See Page 2 of this document (reverse side) for Sample "switching" letter.) This letter will include the approximate date Homefield Energy will begin serving your accounts and should arrive in your mailbox sometime in the next month, depending on when Ameren completes the enrollment process.

**Step 3:** Homefield Energy begins serving your accounts. In most cases this will begin with following meter read.

**Step 4:** You receive your first electric bill from Ameren Illinois showing Homefield Energy as your electric supplier. This information can be found on Page 2 of your bill under "ELECTRIC SUPPLY" and will look something like this:

<b>Electric Power Supply – Homefield Energy</b>				
866.694.1262 <a href="http://www.homefieldenergy.com">www.homefieldenergy.com</a>				
Refer to supply contract for details				
Traditional Rate				
Total Energy Charge (\$/kwh)	1,000.00 kwh	@	\$ .07000	\$70.00
Total Supplier Charge				\$70.00

*\*The rates above are for illustration purposes only. Your usage and rates may vary.*

**Step 5:** It's just that easy! You will continue to receive your bills from Ameren Illinois and pay Ameren Illinois Utilities just like always. Any billing option, such as budget billing or autopay, you currently have in place will remain the same. If you have questions regarding your bill or a power outage you will still contact Ameren at 800-755-5000.

Thank you for letting Homefield Energy serve your community.

If you have questions regarding municipal aggregation or Homefield Energy, please call 866-694-1262 or go to [www.HomefieldEnergy.com](http://www.HomefieldEnergy.com).
