ABOUT THE BUDGET

Budget Process

Within the first quarter of the calendar year (January 1 - March 31), the Village President and Staff submit a tentative Annual Budget for the ensuing fiscal year to the Board of Trustees at a regular or special meeting of the Board of Trustees. Upon receiving the tentative Annual Budget, the Board of Trustees reviews the document, makes such changes as it may deem necessary, and adopts a final Annual Budget. The final Annual Budget acts as an internal operating guide and is not legally binding.

Within the first quarter of the fiscal year (May 1 - July 31), the Corporate Authorities are required to pass an ordinance, termed the Annual Appropriation Ordinance. In this Annual Appropriation Ordinance, the Corporate Authorities appropriate sums of money deemed necessary to defray all necessary expenses and liabilities of the municipality and specify the objects and purposes for which these appropriations are made, and the amount appropriated for each object or purpose. This Annual Appropriation Ordinance, which is based upon the final Annual Budget adopted by the Board of Trustees, provides the legal authority to spend money.

At least ten (10) days before the adoption of the Annual Appropriation Ordinance, the Corporate Authorities are required to make the proposed Annual Appropriation Ordinance or a formally prepared appropriation or budget document upon which the Annual Appropriation Ordinance will be based conveniently available to public inspection. In addition, the Corporate Authorities are required to hold at least one (1) public hearing on that proposed Annual Appropriation Ordinance. Notice of this hearing is required to be given publication in one or more newspapers published in the municipality or, if there is none published in the municipality, in a newspaper published in the county and having general circulation in the municipality at least ten (10) days before the time of the public hearing. The notice is required to state the time and place of the hearing and the place where copies of the proposed Annual Appropriation Ordinance or formally prepared appropriation or budget document will be accessible for examination. The Annual Appropriation Ordinance may be adopted at the same meeting at which the public hearing is held or at any time after that public hearing. After the public hearing and before final action is taken on the Annual Appropriation Ordinance, the Corporate Authorities may revise, alter, increase, or decrease the items contained in the Annual Appropriation Ordinance.

Except as otherwise provided by law; no further appropriations may be made at any other time within the same fiscal year. However, during any fiscal year, the Corporate Authorities may adopt a Supplemental Appropriation Ordinance in an amount not in excess of the aggregate of any additional revenue available to the municipality, or estimated to be received by the municipality after the adoption of the Annual Appropriation Ordinance for that fiscal year, or from fund balances available when the Annual Appropriation Ordinance was adopted but that were not appropriated at that time.

The Corporate Authorities at any time, however, by a two-thirds vote of all the members of the body, may make transfers within any department or other separate agency of the municipal government of sums of money appropriated for one corporate object or purpose to another corporate object or purpose, but no appropriation for any object or purpose shall thereby be reduced below an amount sufficient to cover all obligations incurred or to be incurred against the appropriation.

Structure of the Budget

The Annual Budget is organized and structured on the basis of funds. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Funds are categorized as follows:

Governmental Funds: Governmental Funds are those funds through which most governmental functions typically are financed. Governmental Funds include The General Fund, Special Revenue Funds, Capital Projects Funds, and Debt Service Funds.

The General Fund: The General Fund is that fund used to account for all financial resources except those required to be accounted for in another fund. The General Fund is the primary fund of the Village.

Special Revenue Funds: Special Revenue Funds are those funds used to account for the proceeds of specific revenue sources (other than trusts for individuals, private organizations, or other governments or for major capital projects) that are legally restricted to expenditure for specified purposes. The Village has the following Special Revenue Funds:

This revenue is restricted to promote tourism and conventions within the Village and to otherwise attract nonresident overnight visitors to the Village.

Illinois Municipal Retirement Fund (IMRF) Fund: The Illinois Municipal Retirement Fund (IMRF) Fund accounts for the Village's contributions to the Illinois Municipal Retirement Fund (IMRF), which provides retirement, disability, and death benefits to employees of units of local government and school districts.

Morton Business District Tax Allocation Fund: The Morton Business District Tax Allocation Fund accounts for the Business District Retailers' Occupation Tax and the Business District Service Occupation Tax imposed within the Morton Business District. This revenue is used to carry out the Morton Business District Development and Redevelopment Plan. This fund is not a budgeted fund.

Motor Fuel Tax (MFT) Fund: The Motor Fuel Tax (MFT) Fund accounts for the Village's allocation of Motor Fuel Tax (MFT) receipts. This revenue is restricted to street-related construction and maintenance, which must be approved by the Illinois Department of Transportation (IDOT).

Proprietary Funds: Proprietary Funds are those funds used to account for a government's ongoing organizations and activities that are similar to those often found in the private sector. Proprietary Funds include Enterprise Funds and Internal Service Funds.

Enterprise Funds: Enterprise Funds are those funds used to report any activity for which a fee is charged to external users for goods or services. The Village has the following Enterprise Funds:

Gas Fund: The Gas Fund accounts for the financial resources necessary for the operation and maintenance of the Village's natural gas utility.

Gas Depreciation Reserve Fund: The Gas Depreciation Reserve Fund accounts for the financial resources to be used for the construction and replacement of infrastructure related to the Village's natural gas utility. This fund is used to accumulate monies until such time as enough resources are available to complete the project.

911 Consolidated Center Fund: The 911 Consolidated Center Fund accounts for the financial resources to operate the leased space at the Morton Police Department which is utilized as a 911 Answering Point for the consolidated 911 answering entity, Tazewell County Communications Center. This fund is used to report the operational revenue, in the form of rents received, and the expense of maintaining the space and its related debt from the cost of construction.

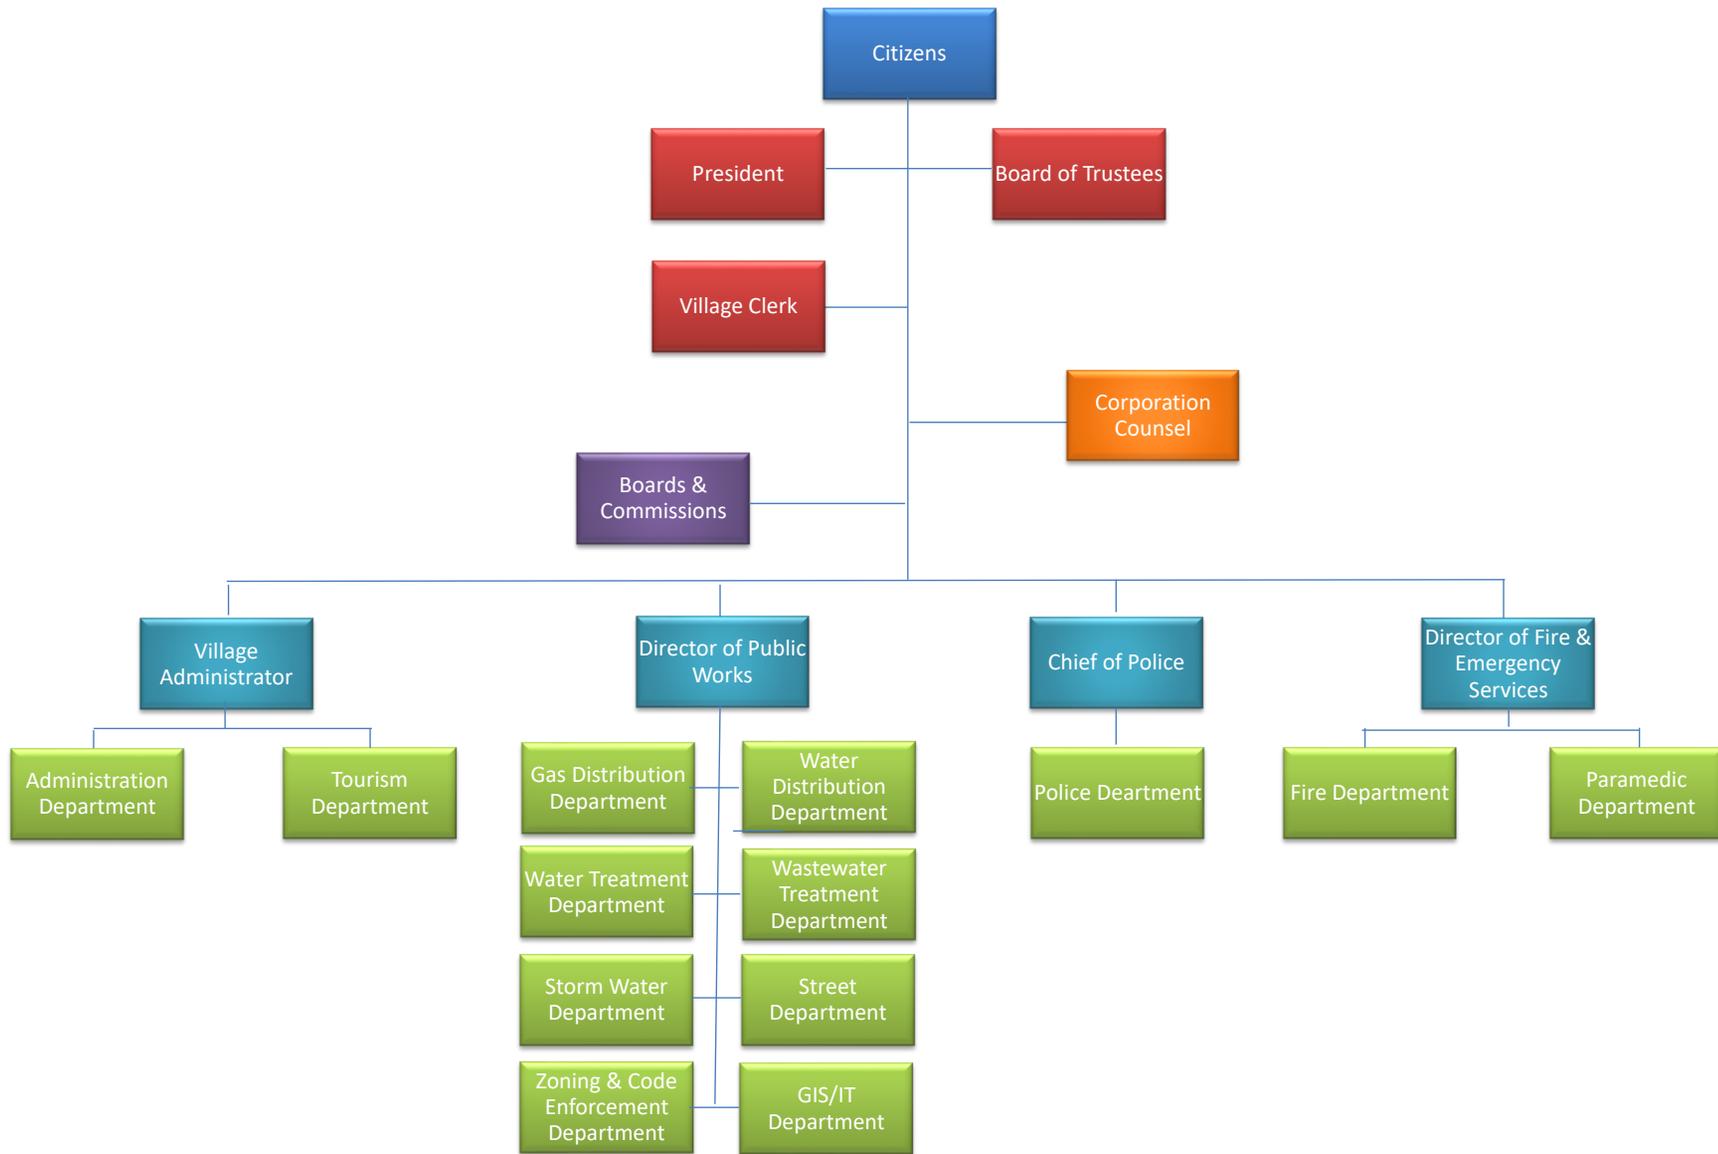

Fiduciary Funds: Fiduciary Funds are those funds used to account for assets held by a government unit in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds.

Pension (And Other Employee Benefit) Trust Funds: Pension (And Other Employee Benefit) Trust Funds are those funds used to report resources that are required to be held in trust for the members and beneficiaries of defined benefit pension plans, defined contribution plans, other postemployment benefit plans, or other employee benefit plans.
