AGREEMENT

THIS AGREEMENT is made this ____ day of _____, 2026, by and between the VILLAGE OF MORTON, an Illinois municipal corporation, (hereinafter referred to as the "Employer") and the **POLICE BENEVOLENT LABOR COMMITTEE** (hereinafter referred to as the "Union".) The individual persons covered by this Agreement are sometimes referred to as "Employees."

RECITAL

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employer and the Union representing the Employees in the bargaining unit and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Union to work together to provide and maintain satisfactory terms and conditions of employment and to prevent as well as to adjust misunderstandings and grievances relating to Employee's wages, hours, and working conditions.

IN CONSIDERATION OF THE MUTUAL COVENANTS AND CONDITIONS CONTAINED HEREIN, the parties hereto agree as follows:

ARTICLE 1 - RECOGNITION

The Employer hereby recognizes the Union as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on any and all matters related to wages, hours, and all other terms and conditions of employment of all employees in the bargaining unit. The bargaining unit shall include all sworn peace officers in the rank of Patrolman, Detective, and Sergeant in the Morton Police Department.

Positions EXCLUDED from the above-described bargaining unit shall include all sworn police officers above the rank of Sergeant, non-sworn personnel, and any others excluded by the Illinois Public Labor Relations Act as now in force or as may be amended from time to time.

ARTICLE 2 - MANAGEMENT RIGHTS

The Employer has and will continue to retain the right to operate and manage its affairs in each and every respect. The rights reserved to the sole discretion of the Employer shall include but not be limited to the following:

1. To determine the organization and operations of the Morton Police Department;
2. To determine and change the purpose, composition, and function of each of its constituent departments and subdivisions;
3. To set standards for the services to be offered to the public;
4. To direct the Employees of the Morton Police Department, including the right to assign work and overtime;
5. To hire, examine, classify, select, promote, restore to career service positions, train, transfer, assign, and schedule Employees subject to the powers, rules and regulations of the Board of Police Commissioners of the Employer;
6. To increase, reduce, change, modify, or alter the composition and size of the work force, including the right to relieve Employees from duties because of lack of work or funds or other proper reasons;
7. To contract out work when essential in the exercise of non-police power;
8. To establish work schedules and to determine the starting and quitting time and the number of hours to be worked;
9. To establish, modify, combine, or abolish job positions and classifications;
10. To add, delete, or alter methods of operation, equipment, or facilities;
11. To determine the locations, methods, means, and personnel by which operations are to be conducted, including the right to determine whether goods or services are to be made, provided, or purchased;
12. To suspend, demote, discharge, or take other disciplinary action against employees for just cause, subject

- to the powers, rules, and regulations of the Board of Police Commissioners of the Employer; and
13. To add, delete, or alter policies, procedures, rules, and regulations.

Inherent managerial functions, prerogatives, and policy-making rights, whether listed above or not, which the Employer has not expressly restricted by a specific provision of this Agreement, shall remain vested exclusively with the Employer.

Nothing in this Article shall abrogate or alter the other Articles of this Agreement.

ARTICLE 3 - NO-STRIKE

Section 3.1. No-Strike Commitment

Neither the Union nor any employee will call, initiate, authorize, participate in, sanction, encourage, or ratify any work stoppage or the concerted interference with the full, faithful, and proper performance of the duties of employment with the Employer during the term of this Agreement. No employee shall refuse to cross any picket line by whomever established in connection with the line of duty.

Section 3.2. Resumption of Operations

In the event of action prohibited by Section 1 above, the Union immediately shall disavow such action and request the employees to return to work and shall use its best efforts to achieve a prompt resumption of normal operations. The Union, including its officials and agents, shall not be liable for any damage, direct or indirect, upon complying with the requirements of this Section.

Section 3.3. Union Liability

Upon the failure of the Union to comply with the provisions of Section 2 above, any agent or official of the Union who is an employee covered by this Agreement may be subject to the provisions of Section 4 below.

Section 3.4. Discipline of Strikers

Any employee who violates the provisions of Section 1 of this Article shall be subject to immediate discharge. Any action taken by the Employer against any employee who participates in action prohibited by Section 1 above shall not be considered as a violation of this Agreement and shall not be subject to the provisions of the grievance procedure, except that the issue of whether an employee in fact participated in a prohibited action shall be subject to the grievance and arbitration procedure.

ARTICLE 4 - GRIEVANCE AND ARBITRATION

It is mutually desirable and hereby agreed that all grievances shall be handled in accordance with the following steps. For the purposes of this Agreement, a grievance is any dispute or difference of opinion raised by an Employee or the Union against the Employer involving the meaning, interpretation, or application of the provisions of this Agreement. Any time period provided or under the steps in the grievance procedure may be mutually extended or contracted.

Step 1: The Employee, with or without a Union representative, may take up a grievance with the Employee's immediate supervisor within fifteen (15) calendar days of its occurrence or circumstance giving rise to a grievance or when first known by the grievant. The supervisor shall then attempt to adjust the matter and shall respond within ten (10) calendar days after such discussion.

Step 2: If not adjusted in Step 1, then grievance shall be reduced to writing on the grievance form attached to the parties' agreement as Appendix A and presented by the Lodge to the Chief of Police within fifteen (15) calendar days following the receipt of the supervisor's answer in Step 1. The Chief of Police shall attempt to adjust the grievance as soon as possible and therefore will schedule a meeting with the Employee, his immediate supervisor or shift commander, and Union representative within ten (10) calendar days after receipt of the grievance from the Union. The Chief of Police shall, within fifteen (15) calendar days of the meeting, render a decision based on the information supplied during the meeting. If the resolution of the grievance requires the expenditure of funds beyond available budgeted funds, or would require the deviation from village personnel policies, the grievance shall be referred to Step 3. In the event that Step 2 is utilized and not adjusted, the grievance shall bypass Step 3 and be referred to Step 4.

Step 3: If the grievance is not resolved prior to this Step, the grievance shall be reduced to writing and presented by the Union to an Employer's Grievance Committee composed of a representative from the employer appointed by the President of the Board of Trustees, and the Chief of Police within fifteen (15) calendar days following the receipt of the supervisor's answer in Step 1. Within twenty (20) calendar days after the grievance has been filed with the Employer's Grievance Committee, the Committee shall meet, at a mutually agreeable time and place, with the Union and the grievant to discuss the grievance and hopefully come to an equitable solution. If a grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the parties. If no settlement is reached, the Employer's Grievance Committee shall give the Union the Employer's answer within fifteen (15) calendar days following their meeting.

Step 4: If the grievance is not resolved prior to this Step, the matter shall be referred for arbitration by written request by the Union made within fifteen (15) calendar days of the Employer's answer in Step 3. Arbitration shall proceed in the following manner:

- A. The Employer and the Union shall each appoint a representative to the arbitration panel. The two arbitrators shall in turn, by mutual agreement, select a third arbitrator to serve as chairman of the arbitration panel. In the event the two arbitrators are unable to agree upon the third arbitrator, they shall obtain a list of recognized arbitrators from the Federal Mediation and Conciliation Service. Upon receipt of such list, each party shall strike a name from the list until there is one name remaining. The parties shall determine by flip of a coin who shall strike the first name from the list. The remaining individual shall be the third party and the chairman of the panel. The parties may agree to waive tri-partite arbitration and proceed with a single neutral arbitrator.
- B. The arbitrators shall promptly review the grievance and the information and decisions rendered at the various steps of the grievance procedures. The arbitrators shall confer with the parties to this grievance as necessary and may hold a hearing at the option of the neutral arbitrator. The scope of the hearing shall be at the sole discretion of the neutral arbitrator. The hearing shall only be open to all parties in interest.
- C. The arbitrators shall issue their decision not later than thirty (30) calendar days from the date of closing of any conference or hearing, if necessary, or, if no conference or hearings are required, then from the date when the final grievance documents are submitted to them.
- D. The decision of the arbitrators shall be in writing and shall set forth the findings of fact, reasoning, and conclusions of the issues submitted.
- E. The decision of the arbitrators shall be final and binding to the parties concerned in the grievance.
- F. The cost of the arbitration panel shall be borne equally by the Union and the Employer.
- G. If the arbitration board calls for meetings or hearings and these meetings cannot be held during the normal working hours of the grievant, then no additional compensation or overtime payment shall be made by the Employer to either the grievant, witnesses, or representatives of the Union.
- H. The arbitrators may interpret the Agreement but shall have no right to ignore, add to, take from, or modify any of the provisions of this Agreement.

ARTICLE 5 -IMPASSE

The parties agree that if necessary, they will use the impasse resolution procedure pursuant to 5 ILCS 315/14 of the Illinois Compiled Statutes.

ARTICLE 6- DISCIPLINE AND DISCHARGE

Section 6.1. Uniform Police Officers Disciplinary Act

All Employees shall be entitled to all rights accorded them under the Uniform Police Officers Disciplinary Act as now in force or as may from time to time be amended, and the Employer shall follow any procedures required under said Act.

Section 6.2. Discipline Procedure

All disciplinary matters shall remain under the jurisdiction of the Chief of Police subject to the laws of the State of Illinois and the rules and regulations of either the Village of Morton Fire and Police Commission or grievance arbitration. The

election of one forum by the officer being disciplined precludes the other.

Section 6.3. Police Commission

In the event the Village of Morton Police Commission refuses to hear and make a ruling on the appeal of any suspension involving the loss of pay, imposed by the Chief of Police, then in such case employees shall have the right to have such suspension reviewed pursuant to the Grievance and Arbitration Article of this Agreement. Said review would commence with Step 2 of the Grievances and Arbitration Article of this Agreement.

ARTICLE 7 - INDEMNIFICATION

Section 7.1. Employer Responsibility

The Employer shall adhere to the applicable provisions and conditions set forth in 65 ILCS 5/1-4-6 of the Illinois Compiled Statutes. The maximum amount of liability shall be the amount set forth in 65 ILCS 5/1-4-6 of the Illinois Compiled Statutes or the Village of Morton liability insurance limit, whichever is greater.

Section 7.2. Legal Representation

Employees shall have legal representation by the Employer in any civil cause of action brought against an officer resulting from or arising out of the performance of duties, pursuant to 65 ILCS 5/1-1-6.

Section 7.3. Cooperation

Employees shall be required to cooperate with the Employer during the course of the investigation, administration, or litigation of any claim arising under this Article.

Section 7.4. Applicability

The Employer will provide the protections set forth above where the officer cooperates, as defined in paragraph entitled "Cooperation", with the Employer in defense of the action or actions claimed. If a final non-appealable judgment is entered determining that the officer was acting outside the scope of his employment, the Employer's liability for damages shall be as provided by Illinois law.

ARTICLE 8 - INJURY IN LINE OF DUTY

The Employer agrees to comply with all provisions of 5 ILCS 345/1 and 820 ILCS 320/10 of the Illinois Compiled Statutes as now in effect, or as may from time to time be amended. Employees agree to comply with all provisions of the aforesaid law.

ARTICLE 9 - NON-DISCRIMINATION

Section 9.1. Equal Employment Opportunity

The Employer will continue to provide equal employment opportunity for all employees and develop and apply equal employment practices.

Section 9.2. Non-Discrimination

Both the Employer and the Union agree to refrain from any acts of discrimination in violation of any state or federal law on the basis of race, sex, creed, religion, color, marital or parental status, age, national origin, political affiliation and/or beliefs, or other non-merit factors. Claims of discrimination under this Section are not subject to the grievance procedure contained in this Agreement but rather through the appropriate local, state or federal agency.

Section 9.3. Union Membership or Activity

Neither the Employer nor the Union shall interfere with the right of employees covered by this Agreement to become or to refrain from becoming members of the Union, and there shall be no discrimination against any such employees because of lawful Union membership or non-membership activity or status.

Section 9.4. Use of the Masculine Pronoun

The use of the masculine pronoun in this or any other document is understood to be for clerical convenience only, and it is further understood that the masculine pronoun includes the feminine pronoun as well.

ARTICLE 10 - LABOR-MANAGEMENT CONFERENCES

Section 10.1. Meetings

The Union and the Employer mutually agree that in the interest of efficient management and harmonious employee relations, it is desirable that meetings be held between Union representatives and responsible administrative representatives of the Employer. Such meetings shall be held at mutually agreeable times and locations. The party requesting a "Labor-Management Conference" shall make the request in writing to the other party and provide the agenda for such meeting.

Such meetings shall be limited to:

- A. Discussion on the implementation and general administration of this Agreement.
- B. A sharing of general information of interest to the parties.

The Employer and the Union agree to cooperate with each other in matters of the administration of this Agreement, and to the degree that standards of law enforcement can be effectuated for the maximum protection of the citizens of Morton. To effectuate the purposes and intent of the parties, both parties agree to meet as necessary.

Section 10.2. Grievances Not Discussed

It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Grievances being processed under the grievance procedure shall not be considered at "Labor-Management Conferences", nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings unless both parties agree.

ARTICLE 11 - SAFETY ISSUES

Section 11.1. Safety Committee

The Employer shall appoint a designee(s) to represent him in meetings with the Union to discuss safety issues.

The Union will supply a list of designees (not more than one for each shift) in writing to the Employer as safety representatives from the bargaining unit.

The above representatives agree to meet as necessary and requested by either party within ten (10) days after a written notice by either party requesting such a meeting.

Any report or recommendation which may be prepared by either party as a result from such meeting will be reduced to writing and copies submitted to the Employer and the Union.

Section 11.2. Disabling Defects

No employee shall be required to use any equipment that has been designated by both the Union and the Employer as being defective because of disabling condition unless the disabling condition has been corrected.

When an assigned department vehicle is found to have a disabling defect or is in violation of the law, the employee will notify his/her supervisor, complete required reports, and follow the supervisor's direction relative to requesting repair, replacement, or the continued operation of said vehicle.

The Employer shall take all reasonable steps to assure that all equipment necessary to the performance of the employees on duty is in safe working condition.

ARTICLE 12- SUBCONTRACTING

Section 12.1. General Policy

It is the policy of the Employer to continue to utilize employees to perform work for which they are qualified and available to perform. The Employer reserves the right to contract out any work that it deems necessary in the interest of efficiency, safety, economy, improved work product, or in the event of an emergency.

Section 12.2. Part-Time Employees

It is the policy of the Employer to continue to utilize full-time employees as police officers, except as provided in Section 12.3.

Section 12.3. Auxiliary Police

Nothing in this Article shall prohibit the Employer from utilizing the Morton Auxiliary Police as per past practice of the Employer, provided such use is consistent with Illinois law.

Section 12.4. Notice of Change in Policy

Except in cases of an emergency, when the Employer contemplates changing its policy involving subcontracting or work in the bargaining unit area, and such change amounts to a significant deviation from past practice and would result in the layoff of any bargaining unit employees, the Employer shall notify the Union and offer the Union an opportunity to discuss and participate in considerations involving the desirability of such subcontracting of work, including means by which to minimize the impact on the bargaining unit. Such negotiations shall commence within ten (10) calendar days of the Union's receipt of the Employer's notice, unless the parties agree otherwise. Impasses in such bargaining shall be resolved as provided in Article 5, Impasse.

ARTICLE 13 - SENIORITY

Section 13.1. Definition of Seniority

As used herein, the term "seniority" shall refer to and be defined as the continuous length of service of employment covered by this Agreement from the date of last hire, unless otherwise expressly stated herein.

Section 13.2. Shift Scheduling

Patrol Division shifts shall be selected based on a seniority bid system and further governed by the terms of the parties' Side Letter of Agreement. Probationary employees may be assigned at the discretion of the Employer following the Patrol Division shift bid.

This does not prohibit shifts being changed due to then existing emergencies, which can be filled on a basis other than solely seniority. For purposes of this Article, "emergencies" shall not include staffing shortages resulting from the short-term absence of other employees, but shall mean natural disasters, riots and other unforeseen occurrences that necessitate temporary changes in shift assignments to address the emergency. At the conclusion of the emergency, officers shall be returned to the shifts they bid.

Section 13.3. Seniority List

The Employer shall prepare a list setting forth the present seniority dates for all employees covered by this Agreement and shall become effective on or after the date of execution of this Agreement. Such lists shall finally resolve all questions of seniority affecting employees covered under this Agreement or employed at the time the agreement became effective. Disputes as to seniority listing shall be resolved through the grievance procedure.

Section 13.4. Termination of Seniority

An employee shall lose seniority rights and his seniority broken when he:

- A. Resigns; or
- B. Is discharged for just cause; or

- C. Accepts gainful employment without the approval of the Employer while on an approved leave of absence from the department; or
- D. Is absent for five (5) consecutive scheduled workdays without reasonable notification or authorization; or
- E. Is laid off for more than three years; or
- F. Fails to report for work within 14 calendar days after having been recalled from layoff; or
- G. Otherwise ceases employment.

ARTICLE 14 - LAYOFF AND RECALL

Section 14.1. Layoff

Where there is an impending layoff with respect to the employees in the bargaining unit, the Employer shall inform the Union in writing no later than sixty (60) days prior to such layoff, and layoffs may be initiated by the Employer. The Employer will provide the Union with the names of all employees to be laid off prior to the layoff.

Probationary employees, temporary, and part-time employees shall be laid off first, then employees shall be laid off in accordance with their seniority. The employee with the least amount of seniority shall be laid off first. The date of seniority will be based on the seniority list as provided pursuant to Article 13 Sec. 3 (Seniority). All employees shall receive notice in writing of the layoff at least sixty (60) days in advance of the effective date of such layoffs.

Section 14.2. Police Officers

In the event of a layoff of employees covered by this Agreement, the Employer agrees not to hire any personnel to perform the duties that only a peace officer can perform. A peace officer shall be defined to mean any person who, by virtue of their office, is vested by law with a duty to maintain public order and make arrests for offenses.

Except as set forth in this Article 14, layoffs and rehiring of employees covered by this Agreement shall be in accordance with 65 ILCS 5/10-2.1-18 of the Illinois Compiled Statutes.

Section 14.3. Recall

It is understood that recall rights will be limited to thirty-six (36) months.

ARTICLE 15 - REPRESENTATIVES

For the purposes of administering and enforcing the provisions of this Agreement, the Employer agrees as follows:

Section 15.1. Attendance at Union Meetings

Subject to the need for orderly scheduling and emergencies, the Employer agrees that the elected officials of the Union shall be permitted reasonable time off, to attend general, board, or special meetings of the Union, provide that at least forty-eight (48) hours notice of such meetings shall be given in writing to the Employer, and provided further that the names of all such officials and officers shall be certified in writing to the Employer.

Section 15.2. Grievance Processing

Insofar as practicable, grievances shall be investigated during off-duty hours. In those instances where it is necessary for the Union representative or any other bargaining unit employee to participate in an investigation of a grievance during working hours, permission must be obtained from the on duty shift supervisor or the Chief of Police; or a person designated by him; such permission shall not be unreasonably denied, and the investigation must be conducted in such a manner as to not interfere with the normal operations of the Employer.

Section 15.3. PBPA State or National Conventions

Two employees who have been chosen as a delegate to a PBPA state or national Convention will, upon written application approved by the Union and submitted to the Employer with at least fourteen (14) days notice, be given a leave of absence without pay for a period of time not to exceed three (3) days per calendar year to attend such Convention. Employees shall be permitted to utilize accrued paid leave (except for sick leave and emergency leave) for purposes of remaining in a pay status during such leave. Conflicts between leave under this provision and previously approved

vacation time shall be resolved in favor of vacation time.

Section 15.4. Union Negotiating Team

Members designated as being on the Union negotiating Team who are scheduled to work on a day on which negotiations will occur, shall for the purpose of attending scheduled negotiations, be excused from their regular duties without loss of pay, with the permission of the Chief of Police; such permission shall not be unreasonably denied. Said employee(s) shall be subject to immediate recall to duty. If a designated Union team member is on regular day-off status on the day of negotiations, he/she will not be compensated for attending the session.

Section 15.5. PBLC Representatives

Authorized representatives of the National or State Lodge shall be permitted to visit the Department during working hours to talk with employees of the local Union and representatives of the Employer concerning matters covered by this Agreement provided such visits do not interfere with the operations of the Employer.

Section 15.6. Examine Records

The Union or a representative shall have the right to examine time sheets and other record pertaining to the computation of compensation of any employee whose pay is in dispute or any other records of the employee pertaining to a specific grievance, at reasonable time with the written consent of the affected employee.

ARTICLE 16 - EMPLOYEE SECURITY

Section 16.1. File Inspection

Upon written request by an employee, the Employer shall permit the employee to inspect his or her personnel file twice per calendar year. Such inspection shall occur within seven (7) days following receipt of the employee's written request. The employee shall not be permitted to remove any part of the personnel file from the premises, but may obtain a copy of any information contained in the file upon payment of a fee of \$0.10 per page for the cost of copying.

It is expressly understood by both parties that this Section and Section 16.3 of this Article shall not apply to Investigative records maintained by the Employer and further that Investigative records are not available for inspection by an employee, except as provided in Section 16.8 of this Article.

Section 16.2. Union Access

An employee who is involved in a current grievance against the Employer may designate in writing that a Union representative may inspect his or her personnel file subject to the procedures contained in Section 16.1 of this Article.

Section 16.3. Limitation on the Use of File Material

It is agreed that at the time of inclusion of any documents in an employee's personnel file or other file used by the Employer for employment decision-making purposes, the employee shall be given a copy. It is agreed that any material and / or matter not available for inspection, as provided in Section 16.1 above, shall not be used in manner or any forum adverse to the employee's interest. It is expressly understood that this Section shall not apply to investigative files and records except that Section 16.8 will apply to use of said records.

Section 16.4. Employee Rights

If an employee disagrees with any information contained in his or her personnel file, the employee may submit a written statement which will be included in the file.

Section 16.5. Unfounded Material

Any information of an adverse employment nature which is determined to be unfounded, unsustained, or material relating to action for which the employee has been exonerated, shall not be used against the employee in any future proceedings, and will be removed from the employee's personnel file.

Section 16.6. Verbal and Written Warnings

The Employer shall supply to the employee a notice of verbal warning in writing indicating the date and substance of the verbal warning. The Employer agrees to remove from the Employee's personnel file, reference to any verbal warnings twelve (12) months after the date of issue and written warnings thirty-six (36) months after the date of issue.

Section 16.7. Employee Representation

Employees covered by this Agreement shall have the right to a Union representative with him/her at all stages of interrogation, whether formal or informal. Section 19.10. Responsibility to Work Overtime

- A. The Union and its Employee members acknowledge that bargaining unit work must be performed twenty-four (24) hours a day, three hundred sixty-five (365) days per year. Full-time employees shall be entitled to a paid vacation subject to the conditions stated in this Article. Vacations are paid by reason of time earned. Employees will become eligible for vacation any time during the calendar year they complete one year of service, however new employees must complete a minimum of six (6) months of service before taking any vacation time. Employees will continue to be eligible for the amount of vacation, as described in the following schedule, in the calendar year that they complete the required years of service.

While employees may be able to take vacation anytime during the calendar year that it is earned, it is understood by both parties that an Employee does not actually earn the vacation time until completion of the required number of years of service. Employees who retire, resign, or who are terminated shall receive pay for any vacation time earned but not taken. If an employee has taken vacation which has not yet been earned and then terminates employment, the amount so taken shall be deducted from his final pay or otherwise paid back by the Employee.

Section 21.2. Amount Earned

The following is the schedule of vacation benefits:

- H. Employees with fifteen years of completed service shall receive twenty (20) days of paid vacation.

Section 21.3. Vacation Scheduling

The following procedure shall apply with respect to the scheduling of vacations:

- A. Vacations may be taken anytime during the calendar year; however, the Chief of Police may designate certain dates where no vacations may be scheduled. Such dates shall be clearly posted on the calendar in the Roll Call room and shall contain a brief description as to the reason the days are excluded from selection (i.e., training, maximum number off reached, etc.)
- B. Vacations must be approved by the Chief of Police. The Chief of Police has final authority on approving all vacations and he has the right to limit the number of personnel on vacation at a given time in order that sufficient personnel are available to operate the department. Under no circumstances shall adequate police services be curtailed for vacation purposes; provided, however, that at least one officer per shift per day shall be permitted to take vacation leave. Officers, who submit forty (40) hours or more of consecutive vacation time and have no more than one (1) conflicting day with no more than one (1) other officer who has already been granted approved vacation leave for the conflicting day, shall too have that conflicting

day approved.

- C. Employees may submit requests for vacation for the subsequent (or upcoming calendar) year beginning on November 1st through and including November 15th. Such requests shall be granted on the basis of seniority on or before November 30th. After November 15th, vacations shall be granted on a first-come, first-serve basis. Vacation time requests received on the same day shall be considered as the same time and the employee with the greatest seniority, by date of hire, shall be given preference. The Chief of Police or his designee shall date and sign all vacation requests upon receipt. Further, the Chief of Police or his designee shall immediately make available to the requesting employee a copy of the dated and signed request.

The Chief of Police at his sole discretion may allow an employee to carry-over five (5) vacation days to the following calendar year, providing the employee can justify a request to carry over vacation time. The employee must use the vacation time in the year it is carried to or forfeit said time.

Requests for said carry-over must be submitted to the Chief of Police prior to September 30 of the calendar year.

The scope and intent of this provision is to allow employees the periodic opportunity of an extended vacation. This provision is not to allow an employee to continuously "bank" vacation time in excess of that which is earned in the calendar year.

It is understood that the Chief of Police has sole discretion in making the aforementioned determination and that this Subsection E, is not the subject to the Article on Grievance Procedure and that the grievance procedure may not be invoked with respect to same. Notwithstanding the foregoing, all employees shall be permitted to carry over five (5) vacation days from 2020 to 2021 without the necessity of the discretionary consent of the Chief of Police.

- F. Vacations taken in segments of less than forty (40) hours will be granted on the basis of availability of manpower to insure the effective coverage of a shift.

The Supervisor shall have the discretion and authority to determine whether or not an employee is entitled to sick days. Sick leave may be used in one (1) hour increments. In the event of an employee's absence for 3 or more days, a doctor's note verifying the illness will be required upon the return. A note from a physician will also be required if any employee has established a pattern of recurring frequent absences.

D. Donation of Sick leave: The Employer desires to provide a mechanism by which employees may donate accumulated sick leave to another employee who has a medical emergency and who has exhausted his or her available paid leave. No employee may donate more than one-half of the amount of annual leave he or she would accrue during one calendar year to any other individual, meaning the limit on sick leave donation shall be per donor, per done. By way of illustration, an employee may donate one-half of the amount of annual leave he would accrue during one calendar year to Employee A on January 1, and may donate another one-half of the amount of annual leave he would accrue during one calendar year to Employee B on January 2. Donations shall be irrevocable once the Donation Request form is submitted to the Village. Hours shall not be returned or refunded to the donor in any event once the Donation Request is completed. The individual receiving the donated hours of sick leave may not accrue more than the nine hundred sixty (960) hours in donated sick leave

E. Termination: Upon termination of employment for any reason whatsoever, of an Employee's employment, no payment shall be made for accrued sick days.

- G. The Employer agrees that the collection of samples will be conducted in such a manner as to preserve the individual Employee's right to privacy, insure a high degree of security for the sample and its freedom from adulteration.
- H. The Employer will require that the laboratory or hospital facility report to the Employer that a blood or urine sample is positive only if both the initial screening and the confirmation tests are positive for a particular drug or alcohol. SIDE LETTER OF AGREEMENT

This SIDE LETTER OF AGREEMENT entered into originally in 2006, modified on July 5, 2011, and further modified on May 4, 2026 by the Village of Morton and ("the Employer") and the Police Benevolent Labor Committee ("the Union") is as follows:

WHEREAS, the parties have recently concluded negotiations for a successor collective bargaining agreement; and

WHEREAS, as part of their negotiations, the Employer and the Union have agreed to certain work hours and shifts as well as shift bidding by seniority and provisions for granting bargaining unit employees paid time off; and

WHEREAS, the parties wish to commemorate certain understandings reached during collective bargaining regarding these issues without making extensive changes to the body of their collective bargaining agreement

THEREFORE, the parties agree:

1) Memorandum: This Memorandum shall be appended as a part of the parties' collective bargaining and subject to the grievance procedure.

2) The Work Hours and Shifts: Effective with the first seniority shift bid in August 14, 2011 upon ratification of the contract, the shifts as well as the starting and quitting times shall be as follows:

5th Shift: 1100 to 1900

Power shift days: 0600 to 1600

Power shift evenings: 1600 to 0200

The parties acknowledge the change in shift hours is being done on an experimental basis, leaving the 4th and 5th Shift hours as were previously agreed to. Both parties agree that it may be necessary to modify the 4th Shift to 1800 - 0200 and the 5th shift from 1000-1800. However, both the Union and Employer must agree to the modification to the 4th and 5th shifts prior to its implementation.

3) Shifts shall be assigned by allowing employees to bid on the foregoing shifts according to seniority in rank. Shift assignments as bid shall be continued for a period of twelve (12) weeks until the next bidding process has been conducted and such new bids become effective, unless the parties mutually agree to extend a particular twelve (12) week period. Once an employee has bid a shift, he shall not be moved from that shift to another shift without the payment of overtime for all hours worked on a non -bid shift except as follows:

a) Shift "O" shall be designated by the parties as the "5th shift." Employees who bid or are assigned this shift may be moved to either 1, 2nd or 5th shift hours at the discretion of the Employer or by mutual agreement. The Employer agrees to make a good faith effort to notify the employee three (3) days prior to moving their hours.

b) Shifts "L" and "M" are considered Power shift days and Power shift evenings and work four ten-hour shifts.

c) Employees working the "I" shift may mutually agree to have their shift changed, but such change shall be limited to one day a week, and may only have their hours changed on Tuesday. The foregoing changes may be made by mutual agreement at any time or by the Employer only if the schedule has not been posted. The Employer agrees not to withhold posting of the schedule for the purpose of altering employees' shifts.

d) In those instances where the Chief of Police determines that a summer shift (consisting of twelve consecutive weeks during the period the school resource officer is available) is necessary for effective and efficient law enforcement procedures, he may post an additional shift for bidding during the bidding period in which such shift would fall. Employees shall bid this additional summer shift in the same manner as other available shifts (e. g. based on seniority) for the same period. In the event no employee bids the summer shift, the shift shall be given to the employee with the least seniority. Said summer shift may be established by the Employer as either an eight or ten hour shift but once established shall have specific starting and quitting times.

e) Where employees mutually agree with the Employer to change their shifts.

4) The foregoing provisions are not intended to prevent or limit employees from agreeing to change their shifts at the request of the Employer or by mutual agreement between employees subject to the approval of the Employer.

5) Employee's requests for time off shall be considered and granted and/or denied in a fair, like and consistent manner subject to the minimum manning requirements in effect as of the date of this agreement. Employees shall not be denied time off to accommodate the training needs of individual officers or the department even where the approval of such requests results in falling below minimum manning requirements thereby creating overtime.

6) Should the number of officers increase or decrease such as to affect the operational requirements of the Department, the Employer reserves the right to establish or reduce additional fixed shifts. However, no additional "Relief Shifts" may be established under the terms of this Agreement except by mutual agreement.

7) **On-Going Cooperation and Review:** The parties agree that they shall meet as often as deemed necessary for purposes of reviewing the terms of the Memorandum of Agreement and making such agreed adjustments as may be necessary to effectuate the terms hereunder. Any grievances raised by an employee or the Union shall first be discussed between the parties for resolution prior to initiating the steps of the grievance procedure in the parties' collective bargaining agreement.
