# Residential Patio Guidelines & Information

---

## Installation Requirements

- The patio shall be located within the required rear yard and shall maintain a side and rear setback of six feet (6').
- The patio cannot be in an easement.
- A patio that is attached to the primary structure and which meets the required rear yard setback shall not be considered an accessory use. Should the patio encroach into the required rear yard, subject to the other requirements of this Section, it shall be counted as one (1) accessory use.
- The square footage of all uses permitted shall not exceed sixty percent (60%) of the actual rear yard.

## Permit Information

- Applicants need to provide a site plan of the lot showing, the house with the proposed patio and dimensions of the patio, all setback dimensions to the rear and side property lines along with other structures.
- The applicant will have ninety (90) days from the issue date in order to start the project. If it is not started within that time frame, the applicant is required to obtain another permit.
- The permit is valid for one hundred eighty (180) days from the issue date.
- An inspection will be done at the end of the one hundred eighty (180) days.
- The permit fee for a patio is \$50.00.
